ONE-TO-ONE CAREERS MEETINGS: WHAT TO EXPECT

Students are beginning to have their Careers Meetings. You will receive a note with your appointment time and date. Please do NOT miss your time slot!

THE AIM

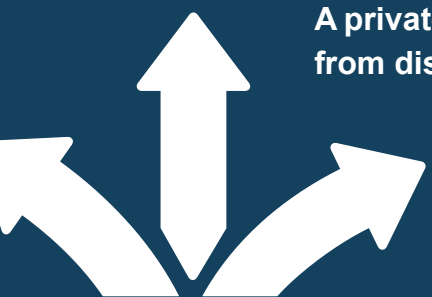
The aim of a careers appointment is to help you move forward. It is not about telling you what to do (nor about doing it for you!)

WHAT WILL WE DISCUSS?

We will offer up-to-date independent and impartial information. A personalised action plan will be created. Together, we will reflect, challenge and motivate you!

WHERE WILL WE MEET?

A private space, away from distractions.



WHAT WILL BE DISCUSSED?

Together, we will:

- Identify your personal qualities and skills
- Explore your interests, likes, dislikes, family influences, personal barriers and work experience
- Discuss ideas for study, employment, further or higher education pathways such as college, Sixth Form, Apprenticeships and university
- Understand job searches, writing your CV and going for interviews

HOW CAN I PREPARE?

- What ideas do you have already?
- What would you like to do once you have finished school?
- Where could your subjects take you?
- Thinking ahead, where do you see yourself in five years time?
