From: Mrs Nash – Head of Drama

Congratulations to the Year 10 GCSE Drama students who performed their devised assessments on 25th April. The subject matter, as ever, was wide and varied. This year stimulus material included the resistance worker Sophie School who was murdered by the Nazis, the Waterboys' song 'The Whole of the Moon', the anonymous poem 'Mr Nobody' and the Hans Christian Anderson story 'The Little Match Girl'. The students all worked very hard to ensure that their pieces were ready and are now working on their written coursework which, together with the performance, makes up 40% of the GCSE. Thank you to all the students for their hard work as well as to Mr Evans and Miss Davies for their support on the day. Thanks also to everyone who came to watch - your support is much appreciated by us all.

The final assessment evening this year is on Thursday 23rd May when it will be the turn of Year 12 A level group to perform their devised piece. They have chosen to work in the style of John Godber so particularly enjoyed the chance to see his play 'Bouncers' performed at the Bath Theatre Royal recently. Please do come and watch the students - all family and friends are welcome, and we would particularly encourage those currently in Year 11 who are taking A Level Drama next year to come along. The performance will be in the studio and will start at 5:45pm, lasting around 25 minutes.
